THE HALIBURTON COUNTY ECHO

When lumber and Laking were king

The lumberman's story of hard work and success can no longer be seen

William Laking, of Hamilton, is one of the few landmarks in the lumbering line who has not been carried away by the passing years. Fifty-five years in the lumber business and still going strong. -- Canada Lumberman, October 1922.

William Laking is known to Haliburtonians as the one-time owner of a thriving local lumber mill, a Reeve of Dysart from 1910 to 1912 and a county Warden. But his history prior to his local involvement may be something of a mystery.

Laking arrived in Canada in the early 1860s from Lincolnshire, England. He intended to go to East Flamborough township, near Hamilton, where an older brother had already established a prosperous farm.

He borrowed the money for his passage aboard the Norwegian but almost failed to survive the crossing when the ship sank.

He worked for his board his first winter in the new country and in his second year in Canada he began to work with the forests; an activity that would dominate the rest of his life.

Laking spent a year working in the forests of Norfolk county before he was finally able to arrive at his brother's doorstep. He spent another two years working on the farm to pay back his passage money before being able to strike out on his own.

In the last few years before Confederation Laking was hired by George Green, of Mountsberg in East Flamborough, to drive a team for his shingle mill. Laking was paid \$2.00 a day for his services as a teamster and had to board the horses himself.

Shingles were shipped to the United States

By today's standards Laking may not have been well paid but, in those days, other goods were cheap in proportion. Laking could have bought a thousand feet of pine lumber for \$8.00 at that time.

After he had worked in the shingle mill for a season Laking found out that the owner was willing to sell-out. Greene offered to sell the mill to Laking and the mill's manager Horne Thompson for \$2,000.

Neither Laking or Thompson had the capital at their disposal but they convinced Greene that they would make sufficient profits from the operation to pay him off quickly.

Although Greene had found the mill financially risky the two partners made the business operate successfully almost from the outset. They shipped the shingles down the escarpment to Dundas, then a major port on the lower lakes, from there the shingles went to markets in the United States.

In the 1860s there was still occasional stands of white pine in southern Ontario and the partners were able to convince the local settlers to sell the timber to them. In one place they bought 600 white pines for a dollar a tree.

It is clear that the two must have possessed honest faces or swift tongues since they persuaded more than one settler to part with his trees without security, the price to be paid when their product was sold.

Laking continually expanded his operations over the next few years. He made improvements to the Mountsberg mill and bought additional sawmills in the neighbouring communities of Carlisle, Strabane and Freelon.

About this time Laking was elected to serve on East Flamborough council and eventually became the township's deputy-reeve.

As the stands of timber in the Hamilton area began to run out Laking bought mills in Simcoe county, near Orillia, in North River and Fesserton.

The Fesserton mill was one of the largest of his operations and had the capacity to saw 25,000 feet of lumber per day. In a little over a year the mill turned out 10,000,000 feet of lumber as well as processing the wood into shingles, laths and other semi-finished products.

This mill unfortunately burned to the ground within a few years of Laking's purchase. Although Laking sold off a number of his mills and interests in southern Ontario in the wake of this setback he continued to make new investments moving into the retail lumber trade in Hamilton and the wholesale business in Toronto.

In 1903 Laking, who had loaned money to timber operators in Haliburton, was forced to take over their business when they were unable to get the company onto a profitable footing.

As part of the transaction Laking came into possession of the property and mill along the Drag River which had belonged to the Canadian Land and Emigration Company. This was the second mill in Haliburton but it was not large enough or modern enough to meet the needs of the day,

having been built in 1870. Laking decided to build a new mill and dam for the Haliburton operation.

About this time Laking decided to leave the Hamilton area, where he had been living for forty years. His new investment in the highlands persuaded him to relocate to Haliburton.

In his years on Dysart council Laking favoured a policy of building permanent roads rather than the crude trails which had served the community previously. He also believed in building concrete bridges rather than the wood and stone structures prone to spring-flood damage.

These policies were far more ambitious than those which had marked the council before Laking's arrival. They were continued by his son,

John T. Laking who served as Dysart reeve in 1914-1915.

The younger Laking drowned on Drag Lake in 1917 and his father returned to Hamilton shortly thereafter.

Another blow fell on Laking when the Hal-

It was capable of sawing 25,000 feet of lumber per day and could produce a number of other products, from railroad ties to basket bottoms, as well.

The Laking Lumber Company ceased operations in Haliburton in 1928. The closure appears

After the fire, Laking rebuilt

iburton mill caught fire and was destroyed. Laking rebuilt on the site and the new mill was even larger than the old.

Laking's Hamilton home at 126 Emerald Street is now

a social service agency located in a decaying area of the city.

to have been connected to the end of the great white pines as an economically viable source of timber.

In 1932 Laking's mill was demolished and the metal siding and roof were used to build Haliburton's arena.

The post-war demand for furniture veneers caused the W.O. Bailey company to locate a new mill on the site of Laking's operation in 1946. A new mill was built which wiped out the final remains of the Laking mill, with the exception of the rail-spur up to the grounds.

The veneer mill lasted for 13 years and is entering the final stages of decrepitude as an out-building for Emmerson Lumber.

Very little that Laking would remember exists today. His mill in Haliburton is long gone, the roads he carved and the bridges he built for the township have been altered and modernized to the point where it is doubtful that any survive.

Mountsberg, in his day a thriving village of more than 1,000 people, has long since vanished entirely. Not even a house marks the site; it is now a conservation area. East Flamborough, where he first entered the political forum, was absorbed into the Township of Flamborough about ten years ago.

His house in Hamilton is now in an area quickly decaying into an urban slum and his lumberyard in that city has disappeared.

And Laking himself is a scarce remembered name and for many long years he has been ashes in the grave. But in his day he was a giant in his trade and his community.

Sic transit gloria mundi -- Thus passes the glory of the world.

Hamilton house now decaying

The ruins of this veneer mill stand on the site of Laking's Haliburton mill; a sad reminder of a once thriving industry.

William Laking's single gravestone lies in a Hamilton cemetery. Laking's career spanned the age of the great white pine industry. He died in Florida in 1931.

McCraes chimney is all that is left of the once thriving community of Mountsberg where Laking's first mill was located.

Photos and story by Peter McGuinness

FAMILY

Frank Reynolds featured at band shell

The first concert in the park, sponsored jointly by the Haliburton Highlands Guild of Fine Arts and the Music Performance Trust Fund in cooperation with the Peterborough Federation of Musicians, local 191, was held Sunday afternoon.

The concert featured Frank Reynolds and his band performing nostalgic music of the 40's and 50's and modern music. Reynolds was with the Toronto Symphony for 13 years and upon retirement formed this new group.

The members are from Peterborough and the surrounding area. Reynolds has owned a cottage in Haliburton on Redstone Lake since 1953.

He performed this spring in all the schools of Haliburton County.

Watch for a second performance of this group, probably in October.

Young artists program is continuing well

by MARIE CHAMBERS, WENDY LAKING and CAROL LEE

The Young Artists' Summer Programme has completed its third week of operation.

Each Wednesday and Friday a group of approximately 15 children from ages 5-12 meet in the park to participate in crafts, drama, and sing-songs.

This week the children made colourful butterflies out of coat hangers and pin-wheels from sheets of clear plastic, all of which were donated to the programme.

We also have Marilyn Thayer come to do some drama with the children. This gives them a chance to work together doing drama exercises and performing skits. A sing-song with guitar takes place where the children learn new songs as well as singing the old "camp-fire" favourites.

Due to the participation of the children, and the support of their parents and generous donors, the programme is running smoothly and with much success.

Any further donations will be greatly appreciated and put to good use.

Drop by and see the children at work and play between 1-4 p.m. on Wednesday and Friday.

The "Triple M's" (Minden Molto Maestros) continue to rehearse diligently twice a week on our vast program which will be ready for public performance by the end of August. Our eager and devoted fans will have to wait in suspense until then to hear one of the most talked-about bands in town!

Frank Reynolds and the Skyliners christened the new Head Lake band shell with the first concert Sunday afternoon. The crowd, who enjoyed the music, was small but the performers made the afternoon

pleasant, none-the-less. The Guild of Fine Arts plans to hold more concerts in the band shell in the future.

Happy Gang News

Monday morning was fun and fitness time, when some of the participants do the most astonishing capers. To call them funny would be a gross understatement. Even a high kick would be considered tame in comparison. The scurrying of monkeys in the tree tops would be a better yardstick and the Happy Gang can do it.

Naturally the free scope to do the most bizarre performances is the chief ingredients to bring about both fun and fitness. We look forward to these sessions with great anticipation ever mindful that if the staff catch on, they will wander in.

In the afternoon carpenter Charlie Stormer came along with his bag of tricks to make

bunny rabbit flower pots and in this session enjoyed the help of Allan Macklin, John Sissons, Harold McKelvey and Ray Smith. Ivy Shaw was there too. These novelties are single loaf bread pans mounted on the back of a supposed bunny, equipped with wheels rather than legs. The bread pan is the flower pot.

Every motor car exhaust pipe is a miniature Sudbury smoke stack. Everyone blames the stack for pollution but nary a word is said against the exhaust pipes in the millions.

The ladies, Vera Griffin, Sylvia Gilbert, Hazel Parish and Lila Simmons and the lads Allan Macklin, Ray Smith and Jim Allen undertook to bake a cake and cookies, the latter to fill the cookie jar. Ivy Shaw was the main push in this ambitious enterprise, and we will have a delicious cake when company comes.

The other day we eavesdropped on an ardent bingo fan who called bingo very stuffy and tiresome but that same lady seemed to enjoy it immensely at the Tuesday's game, especially the winning. Ray Smith and Allan Macklin called alternately.

Betty Wise and Helen Archer were the volunteer helpers. There were no losers. Thanks for the help!

Immunity is the sine qua non of life and yet except for WHO. (World Health Organization) is largely ignored by the world medical practitioners in favour of antibiotics that basically are "tow trucks", in no way a part of the body's immune system.

Wednesday was the day when volunteer owner-drivers called at extendicare to pick up residents who would not otherwise have transportation. Peggy and Jack Bassett took Ronald Pearson and Jack Pollard; Les Hughes took Alice Hartle and Harold McKelvey; Marion Currie took Hazel Parish, John Sissons and Norman Titus and Ivy Shaw took Kay McCrae, made a birthday banana cake with whip cream topping. In the afternoon we had a party on behalf of Allan Macklin, Elizabeth McIntosh, Jack Henderson, Berkley Feir, Beryl Morrow, Ada Pacey, Ronald Pearson and Cecil Payne.

A lovely individual meat

pie (some had two) with french fries and a lovely salad with choice of dressing were served buffet style as the main course followed by a dish of vanilla ice cream with lots of tea or coffee.

A few more words from Jack and we went home as we came, calling at the famed display of the school of fine arts on the way. This display had everything except what I have been looking for, a self tied, bow-tie made of the famed Haliburton tartan. Incidentally, we parked momentarily in the L.C.B.O. parking lot on the way home.

Highway 121 is getting quite a face lift now at the Haliburton end from Minden.

Thursday morning Ivy Shaw, with the help of Peggy Henderson and Christina McCrae, made a birthday banana cake with whip cream topping. In the afternoon we had a party on behalf of Allan Macklin, Elizabeth McIntosh, Jack Henderson, Berkley Feir, Beryl Morrow, Ada Pacey, Ronald Pearson and Cecil Payne.

Marilyn Stouffer graciously assumed the cheerleadership and Betty Salvatori had the role of pianist. It was a whiz-bang of song until the cake came. 'Happy Birthdays' were sung, we ate the cake, and a poll of the celebrants revealed that each one felt a year younger. Incredible!

Friday morning the devotional period was led by Lieutenant Sidney Buell of the Haliburton Salvation Army. Lieutenant Beverly, his wife, played the piano but his family - two lovely children stayed at home.

The theme was taken from Ecclesiastes ch. 3, v. 13 wherein God gives counsel to His children on how to live. It would seem that there is more happiness generated by productive work than any play or to be brief, there is more fun in work than in play.

What a tragedy that in the world we are living in now productive work is so scarce. It would seem that the Happy Gang would be happier if they could recapture the

Senior League

by Bert Harrison

Another week has gone swiftly by since we penned you a line. We thought we would let you know that we are doing fine.

We haven't taken a bus trip the last few days but we have been entertained in many different ways.

Our gazebo is taking shape and they have got the frame up. The next thing is to give the thing a name.

Mrs. Oliver's granddaughter and husband, who were married back in June, came to visit their grandmother Saturday afternoon.

Carrie Saters' birthday is on the twelfth of July. She used to walk in the Orange Parade when she was young and spry. Now she is glad she is able to walk three times a day, up to the table.

It was nice to see the Thompsons back with us on Sunday night. If we don't have music, the service doesn't seem just right. Harold reads the lesson, then he offers prayer, and then Rev. Burgess takes over from there.

He always has an interesting message, and gives it with real vim, and then we close the service with a good old rousing hymn.

Our sincere sympathy is extended to the family and friends of Ethel McDonald, who died here at Hyland Crest.

Rev. Wicks of the Minden

Gospel Church took the service here July 13. He said we all should be ready since we don't know the day or the hour when Jesus is coming again.

It is nice to have Mrs. Taylor back with us once more to play and lead the singing as she often did before.

Thursday afternoon a group of children from Hamilton came down to Hyland Crest to entertain us for a while. They were very welcome guests. They are staying at the Kinsman's lovely place on the shore of Big Boskung Lake. They entertained us royally with Scottish dancing and song, also piano numbers, and flute and violin. They were grand entertainers. We hope they'll come again.

We watched two interesting movies again Monday night. Linda always stays to see the job's done right.

The Fearreys came on Tuesday night, and entertained us fine. They played and sang some good old tunes like 'I'm just a lonely cowboy', and 'He's nobody's darling but mine'.

Wednesday night is games night here at Hyland Crest to beat our opponents we do our very best.

The ladies from Lutterworth Pines brought in a lovely lunch on Thursday af-

Bruce Mills art exhibited in Minden

Bruce Mills has been painting and sketching in the Haliburton Highlands since 1929 but not until last week did the public have such an excellent opportunity to view his wide ranging talent.

Tuesday, an exhibition of Mills' painting opened at the Agnes Jamieson Gallery in Minden. With two rooms decorated with his work (and two of his daughter's paintings) the viewer has little chance to become bored as his technique seems to change with every picture.

Mills, a retired architect and industrial designer, has lived on the shores of Lake Kashagawigamog for many years, until he and his wife recently moved to Lindsay.

The show of Mills' paintings runs until July 28. The gallery is open daily (except Sunday) from 10 a.m. until 5 p.m. It is closed for lunch 12 noon until 1 p.m. (except Thursday) and open Thursday evening 7:30 to 8:30 p.m.

DISTRICT NEWS

Chatting with Irene

by Irene Moore

How are you enjoying this lovely weather, inbetween the thunder storms?

Mildred Gartshore visited her family in Toronto on the week-end.

There will be two bake sales on the main street next Wednesday, July 28. Both will start at 10 a.m., one at each end of the street.

The Minden museum will be having a white elephant table as well and their sale will be in front of the Sandewood Shop.

The United Church women are having their sale on the Bank lawn, there will also be a bazaar at this sale. Be sure and come early, for the baked goods go very fast.

Clara Coulter of Peterborough is visiting with Mrs. Arnold Coulter.

Mr. and Mrs. Gordon Dawkins and Beverley of Rexdale are spending a few weeks holiday at their cottage on Hawk Lake Road.

The drive-in movie at the Allsaw Pentecostal Church on Sunday evening will be Heaven's Heroes.

The Mel Robertsons are spending several weeks in Vancouver.

I attended the auction sale and flea market at the Lochlin community hall, last Saturday. It was a very hot day but the articles went fast and the sale was over early.

I'm very much afraid that the farmers who headed home to draw in hay did not get much in, since we just made it back to town before there was a bad thunder storm.

I'm sorry the weather could not have stayed nice for you.

Colleen Bonspiel and son Gordon of Mississauga and Heather Yearwood of Copper Cliff visited with Mr. and Mrs. Keth Brannigan last week.

I hope to see you at the Minden Rotary Carnival next week.

Doesn't a Snow Cake sound good right now? Take: 1 can crushed pineapple; 1 cup white sugar; 1 (3oz) package of pineapple or orange jelly; 1 angel food cake; 1 cup shredded coconut; 1 large package of Dream Whip.

Combine the pineapple and sugar in saucepan, bring to boil, remove from heat; stir in the jelly until dis-

solved. Chill until thick. Prepare the Dream Whip and fold into the jelly mixture. Break up the angel food cake into small pieces and cover the bottom of a 9x13x2 inch pan with half the cake pieces. Cover with the jelly mixture, and sprinkle with half the coconut; add the remaining cake pieces, cover with remaining jelly mixture and sprinkle the remaining coconut over the top. Refrigerate for several hours before serving.

The Bob Emmersons have his mother from Kingston visiting with them at present.

Illa Cooper and Nadine Campbell are visiting in Newfoundland for a few weeks.

Adios and take care now.

by Shiela Lake

The hot summer weather reminds us that carnival times, canoe races, demolition derbys, tennis, and many other activities are all on the go.

Our local Lions Club are hard at work again.

Their annual carnival is coming up July 23 and 24. It is a fun time for everyone, a real family affair.

There are booths for games of chance, rides for the children, bingo, booths with hot dogs, candy floss, and drinks so you won't be hungry or thirsty.

A demolition derby takes place on the Saturday and this always draws a big crowd.

Come out and support the Lions and enjoy a change from T.V. and indoor ac-

tivities. Sure it is cooler indoors these hot days - but by July 23 you may need a sweater.

The senior citizens of Victoria County held their picnic at Balsam Lake Provincial Park last week. Seniors from Fenelon Falls, Woodville and other locales attended.

The weather was perfect and quite a crowd attended to play hitting the nail on the head and other games. A sing song was led by Doug Merrett and there was a lunch.

Mrs. Pearl Bradmore is home after being admitted to Ross Memorial Hospital on Tuesday with pneumonia. Take care of yourself, Pearl, we're glad you are improving.

Winners in the seniors'

euchre were as follows: the ladies first place was Viola Dickson with 72, second was Martha Tomlin with 68, the consolation prize went to Vina Neal and the most lone hands went to Elizabeth Gainger for three.

The Gents first place was Les Thomas with 78, second was Eunice Kingdon with 70, the consolation prize went to C. Clodd and the most lone hands went to Eunice Kingdon for three.

The winners in the bridge game were: Toots Cauthorne with 5180, Lyle Lar-mour with 5070 and the consolation prize went to Laura Watson with 770.

Mr. and Mrs. Fred Thompson and Mrs. Ben Vanderburg of Little Britain were visitors of the Ross Faulkner's last week.

Dot Burrows has been on holiday at Terrace Bay.

Harold and Merle Hopkins celebrated their fiftieth wedding anniversary last Saturday at the Royal Canadian

Legion. A dinner for the family was held in Baddow Community Centre, catered to by the United Church women of Baddow. Some 300 - 350 people called to offer their best wishes and attend the dance at the Legion.

The couple's attendants of 50 years ago, Merle's sister Verna, and Harold's brother Roy were in attendance.

Though retired, they keep busy since they lived on a farm for many years. Later they built "the Writz" Dairy food take out and operated that for about nine years until they sold it to Joy Stange.

The Hopkins have three children, Catherine, Donna and Jim and seven grandchildren.

Our congratulations to Harold and Merle.

Jim Hopkins was "roasted" at a farewell party at the community hall recently.

Jim has been principal at

Cont'd. page 15

Kinmount Korner

by Millie Moss

Sincere sympathy is extended at this time to all the family and to the many friends of Georgina Young who passed away in her sleep at her home in Kinmount.

Less than a week previous to her death, Georgina celebrated her eightieth birthday. She's a lady who will be truly missed by all of us.

Clyde and Ida Parry of Coboconk were recent guests of Mary and John Pyke in Norland.

Main Street, Kinmount, is a busy spot as I write this morning, July 17. The Legion ladies are busy with their bazaar on the lot between Dettman Dry Goods and the 5 cents to a \$1.00 store. They have lots of baked goodies. Then right outside Scott's store Ruby Schell and Mary Phillips are busy selling their

tickets on the hand made quilt. The draw to be held October 23. There is also a second prize of a hand made afghan.

The tickets are 50 cents each or three for \$1.00 and can be purchased from the ACW members of Kinmount.

July 24, the St. James Anglican annual salad supper will be held at the community centre from 4:30 to 7 p.m.

Lindsay Cahill of Scarborough, granddaughter of Joyce and Jack Hills of Kinmount, has been visiting at gramma and grampa's house for a week or so. The visit had to be cut short as Joyce has picked up the very severe cold that seems to be going around these days.

Other recent guests at the Hill's house were Bev and

Pat Molloy and their children Mike and Kelly, of Scarborough.

Betty Lonsdale, I'm told, has had a cold also.

Jennifer Frances Austin graduated June 9 from the University of Western Ontario, (London), with a Bachelor of Arts degree in secretarial and administrative studies.

She is presently employed with Commercial Union Assurance in Toronto.

Charles Arthur Austin graduated June 26 from George Brown College, Toronto, with a Diploma in hotel management. He is presently employed at the Banff Springs Hotel, Banff, Alberta.

Jennifer and Charles are the children of Isobel and Harry Austin of Kinmount.

May your future be bright.

Try this delicate parsley - mustard sauce: 2 tbsp. butter or margarine, 2 tbsp. regular all-purpose flour, ¼ tsp. salt, 1 cup milk, 1½ tsp. prepared mustard, 1 tbsp. finely chopped parsley. Melt the butter in a small saucepan over low heat. Stir in the flour and salt. Add milk, stirring until smooth. Increase the heat to medium and cook, stirring constantly, until thickened. Remove from heat, stir in the mustard and parsley. Spoon over ham or croquettes at serving time.

I hope all you folks on the sick list are feeling better very soon. With all this heat it's no time to be in bed! The rest of you stay well and happy and be here same time next week. Give me a call at 488-2399.

The princesses and queen of the Wilberforce Good Times waved to the crowd watching the parade Saturday afternoon.

Gooderham News

by Mary Hadley.

Marion James has just returned from a trip by air, boat, and car to the Arctic. Her many friends welcome her back to her home on Pine Lake where she expects to spend the summer months.

For the past six summers, Jim Lees has lived in Gooderham, being employed in the nearby area. This June he graduated from Lakehead University, Thunder Bay, with a Bachelor of Social Work degree and has accepted a position in Fort Frances.

He started his duties July

19, working for Family and Children's Services in the District of Rainy River, with families who are encountering difficulties.

We congratulate him and wish him a successful and rewarding career and hope to see him next year when he returns for his holidays.

Vivian and Tommy Dovell, Dale, Sandra and two girls attended the sixtieth wedding anniversary of Stan and Mary Maxwell at Marmora last Saturday. A large number were present in the af-

Cont'd. page 15

Carnarvon News

Myrtle Graham of Leamington has been visiting her cousin Velda Harrison.

Irene Minaker, now of Lindsay, has been here for a few days.

Saturday morning crowds were at the Christian Education building for the annual bazaar and bake sale. They were wise to have held it in the morning since the larger articles had to be outside and the afternoon was wet.

Mrs. Coleman's secondary school class served cold drinks. They were also responsible for the potted flowers at the church entrance.

We are pleased to know that Wilfred Mason is home from the hospital.

Neil and Elsa Russell of Ottawa are with Neil's parents for the week-end.

The Lea Tompkins had all their family here for the week-end. Their grandchild-

dren and friends are here too.

Mr. and Mrs. M. Windsor spent Sunday with old friends at their cottage on Balsam Lake.

Mrs. Muriel Brown of Brantford is renewing old acquaintances here.

Haliburton Highlights

by Creighton Feir

For the second year in a row the Haliburton Ministerial Association are holding summer, outdoor church services at the band shell at the new Head Lake Park at Haliburton. Every Sunday evening starting at 7 p.m. during the summer months a minister from each of the local churches will take his turn in delivering the sermon. Please bring along your own folding chair or blanket. Everyone is welcome.

Sky Skater (formerly Rollertek) is in full swing once again at the Haliburton Curling Rink and this sport seems to be becoming more popular each and every year. The management are advertising the fact that they have the best skating around. The new summer hours are weekdays 1-4 p.m. and 7 to 10:30 p.m. Friday and Saturday evenings from 7-11 p.m. It's closed on Sundays and Mondays.

It's really nice to see the attractive flower boxes on display in front of most of the business places in the village.

The Rotary Club of Haliburton report that Horst Tyedmens of Weston, Ontario was the winner of the barbecue in the Rotary club's second Early Bird Draw. The winning ticket was 468 and was sold by Rotarian Don Poppel.

We would like to take this opportunity to remind everyone and in particular some of our visitors that the new park on Head Lake is there for the enjoyment of not only the local residents but for all the visitors who may be visiting our fair community. Please think about this the next time you have a picnic in this area and don't get up and leave your debris scattered all over the grass instead of seeing them thrown in the litter barrels which have been placed there for your use. It's a beautiful park so let's keep it this way. If a few people had their way it would look like a pig pen.

Don Lloyd, manager of the arena in Haliburton and those who helped with the arena's "facelift" are to be congratulated on the wonderful job they did with the lobby, washrooms and other areas. We are glad to see that this building is being kept in good repair.

Heed weather warnings before going out in your small craft. Being weather-wise protects you and prevents others from risking their lives to rescue you. This is a Red Cross summer safety tip.

Sometimes, here in the Highlands of Haliburton, I have to wonder if many of us aren't turning into a group of pessimists. Everyone was wondering a month ago if we were in for a bad summer; with the state of the economy, high unemployment and the price of gasoline. We were all wondering what the summer would bring. If the past week-end is any indication we have very little to worry about. It seemed to be very busy all

over town. It would appear that up to this point of the holidays the state of the economy is hurting us and some business people have told me that there seems to be as many people as ever before but they are not spending the same amount of money. Employment locally is anything but good and some of the local building contractors have had to lay off some of their employees due to the lack of work. Let's not kick about the price of gasoline when you stop to realize that it's cheaper here in Haliburton than in most other parts of Ontario.

Some former residents that we have noticed back here on vacation are: Mr. and Mrs. Jim Badgley from Arnprior, Mr. and Mrs. Don Downey from Eganville, Mr. and Mrs. Tom Hodgson of Oshawa, Mr. and Mrs. Bill Farrell from Grimsby, Mr. and Mrs. Ronald Carnochan also from Oshawa, Rev. and Mrs. Ray Carder from Mississauga and Mr. Cyril Crarey from Welland.

Some of the members of the Rotary Club of Haliburton are planning on attending Charter Night for the Penetang Rotary Club Wednesday, July 21 at Penetang. Among those attending from the Haliburton Club will be Don Poppel, a native son from Penetang. While still on the subject, the local club is planning to hold the Haliburton-Labatt's fun and fitness run on the first night of the Rotary Summer Carnival August 4, at 5 p.m. at the government dock on Head Lake. It will be a 10 km run.

Haliburton Hockey Haven is in full swing and the boys attending the camp are working out daily at the arena in Haliburton. We understand that the Hockey Haven are having a very busy summer. Professional hockey players are in attendance to show the young, future hockey stars the finer points of the game.

A section of a large tree at Rotary Beach fell to the ground recently and had to be removed from the beach area by municipal employees.

It was a first in the park on Sunday afternoon when the Skyliners from Peterborough played to a large audience at the new band shell at the Head Lake Park. They played music from the big band era of the 40's and 50's, and it brought back several memories for music lovers in the crowd.

St. Anthony's Roman Catholic Church in Haliburton is certainly the place to be on a hot day and humid day. I attended the official opening of the church on Sunday afternoon and if you will recall it was a very hot and humid day. Inside the church it was a different story. The church will be heated by a dual electric furnace combined in a heat pump unit. This is going to keep it warm in the winter and cool in the summer. The heating is controlled by two thermostats to ensure that only

Cont'd. page 16

Gooderham News

from page 14

ternoon to extend congratulations after which the guests ate at the curling club.

All the family were present, including Mary's sisters, Teeny and Pat, and brother, Glen. They all resided in Gooderham several years ago.

Their friends here were glad to know that they were enjoying good health.

Jean Goff was a delegate representing the ladies' auxiliary of the Haliburton Highlands Gideon Camp at their national convention in Saskatoon last week.

Among the 1000 people present were overseas delegates from Bengal, Ethiopia, the Philippines and Hong Kong.

It was inspiring to note that the Hong Kong society, with only 39 members placed 425,000 New Testaments and Bibles in the schools and hotels there.

The Gideon group will re-convene in the fall at the 4C's building in Haliburton.

Mrs. Bruce Stalker (nee Helena Huff) of Bowmanville spent last week-end with Mr. and Mrs. Theo Peacock. She also visited other friends while in the area.

Vic and Fay Snider, of Bowmanville, spent the previous week-end with Theresa and Theo. They were pleased to receive a call from Mr. and Mrs. Holland of Essonville also.

Visitors of Violet Billings

Coboconk

from page 14

Coboconk public school for the last sixteen years.

The Master of Ceremonies was Bill Davidson. Jim was presented with a lovely watch, his wife Audrey was presented with a lovely floral arrangement. There were also some smaller gifts given to Jim.

Jim will be the new principal at Dunsford public school in September.

last week were her grandson, Paul Madill, with his friend, Rene Cote, of Clinton. The boys are avid fishermen and enjoyed this sport while here.

Mr. and Mrs. Loft, of Windsor, are holidaying on Pine Lake and renewing old friendships here.

Don't forget Gooderham Horseshoe Days, July 30, 31 and August 1 at the community centre. Horseshoe pitching, an amateur contest, baseball, a tug-of-war, a demolition derby, dancing

and other attractions should provide fun for the whole family.

Lynn Pipe of Willowdale is the swimming instructor at the public beach for the summer programme. 27 children have registered in the Red Cross Water Safety programme and five in the bronze medallion from the Royal Life Saving Society.

Another garage sale will be held on July 31 at the Orange Hall. Proceeds will go to the work of the Girls' Club.

A large variety of articles will be for sale, including Fisher-Price toys and tupperware. Tables with floral arrangements and Christian literature will be displayed.

The girls will appreciate hearing from anyone who might have articles to donate.

On July 25, Rev. Enoch Nelson will speak at both services at the Pentecostal Church. He is a man with a missionary ministry and it is expected many will be present to hear him.

Guilford Pulse Beat

Hi neighbours! I'm back again with another week of news.

Evelyn Robertson reports that the Fort Irwin Residents Association's bake and craft sale was a huge success and the "goodies" were gone soon after opening up the sale.

The lucky winner of the doll and cradle was Jean Carr of West Guilford.

The box of groceries was taken home by Lorraine MacPherson, of Thornhill, Ontario.

Lorraine is on holidays and staying at the Ki-Ora cottages. Congratulations to these two lucky ladies.

Because of the good turnout at this sale the FIRA has decided to hold another bake and craft sale on July 31 at Heinze Enterprise once again.

More "goodies" will be prepared for this event and the FIRA wish to thank all their volunteers and customers who made last Saturday such a fine success.

Vi Smith dropped into Brae-Mar with a request for all members of the Sisson clan to attend the Sisson family reunion on Saturday, August 14 at the West Guilford Centre.

"Aunt" Vi and Reverend Jerry Johnson are compiling

a book on the Sisson family tree, and need all the Sissons' help in bringing this record up to date.

More details about the reunion and the Sisson book will follow in a later column. Come on Sissons! Rally around your flag!

Talking to Doug Pritchard, of Maple Lake, last Saturday, I discovered that the "twister" that touched down on Camp Northland did a lot more damage than I reported last week.

Not only were trees snapped and up-rooted but

hydro service poles were broken in two, windows were blown out, and one wall of one building was destroyed.

Doug and other members of his crew have been busy restoring the camp to order. It's a miracle that no one was injured seriously.

There are no reports of the games played by our West Guilford ladies' soft ball team. Please check the sports section of this paper for a complete update on all the action.

That's all for now, folks, so until next week, God bless and take care.

Vera Brooking celebrated birthday with friends

Vera Brooking of Tory Hill celebrated her ninetieth birthday on July 4 at her home with members of her family. She also was feted by members of the congregation at Tory Hill United Church.

Born in Hope Township, Brooking was one of the family of six children. She took piano lessons from a teacher in Port Hope and at the age of sixteen became organist in the Wesleyville Methodist (United) Church. While in Wesleyville she assisted with the Sunday

School. She also gave piano lessons. It was here that she met her husband Stanley, later moving to Bowmanville.

Brooking has resided in Tory Hill since 1937 when she came here with her husband Stanley and family from Bowmanville. Stan having been hired to be the section foreman on the I.B. and O Railway.

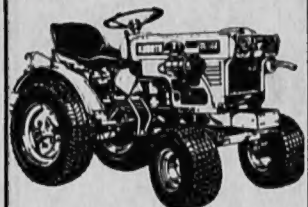

A faithful member of Tory Hill United Church, Brooking rendered her services to the church as organist and pianist.

Farm News

A new national farm stabilization program should be enacted to protect producers not now covered by marketing boards, the Grocery Products Manufacturers of Canada have said.

The proposal, advanced in the second report of the GPMC's Task Force on Food Policy, is designed to ensure a satisfactory income security package for producers.

The first report of the GPMC task force, released last September, had identified marketing boards with supply management powers - the right to both set prices and determine supply - as being responsible for costing Canadian consumers an extra \$1 billion per year in their food bills.

The task force proposed, as an alternative to the creation of additional supply management marketing boards, a stabilization program that would address the legitimate concerns of the primary producer about income instability without destroying the competitiveness of the rest of the food system.

"A comprehensive national program should be adopted that is based on sound insurance principles" and would "cover 100 per cent of producers' average cash costs," the task force added.

The new stabilization fund would be aimed particularly

at beef, hog and potato producers, and would be used to make payments to individual farmers in any year when the price received for their produce falls below an established indexed level.

The GPMC estimated that the cost of the stabilization program would be "less than one-half the estimated cost to consumers of supply management marketing schemes" for beef, hogs and potatoes and would involve the participation of both the federal and provincial governments, and primary producers.

Food Production Is Big Business In Victoria

The results of the 1981 Census are now becoming available. There has been a major increase in the size of the farming industry in Haliburton County since the last census.

There are only 92 farms in Haliburton, but 46 of them are now producing over \$2500 of food products, with the total value of sales being almost \$600,000.

Over 6000 acres of land is now classed as improved farm land, with 2000 acres in crops.

Of the 46 Haliburton farms with sales over \$2500, four have dairy cattle, 25 have beef cattle, 13 have a mixture of enterprises, two have hogs and one each have poultry and field crops.

Please turn to Page 17

Mills artwork on display

Bruce Mills' paintings are being exhibited at the Agnes Jamieson Art Gallery in Minden until July 28. Mills' adaptation of many techniques can be seen in this oil painting of Canadian geese. While the painting is done in oils, the goose in the foreground is enamelled on the painting. More pictures on page 13.

Vera Brooking celebrates

from page 15

ist since coming here, for a total of seventy-four years in this profession. It is doubtful if any one else can top this record.

At the present time, because of failing eyesight due to cataracts Brooking has had to take some time off until

the condition in her eyes is corrected and she can see well enough to resume her playing.

She will be happy when once again she will be able to give pleasure to others, as well as herself, with the strains of beautiful music from the organ.

Haliburton Highlights

Legion News

Greetings Comrades

Your branch is very busy these days. We have had a very successful awards night for our high school students and an evening of awards for our Ladies Auxiliary at which branch members did an exceptional job of serving and cleaning up.

The girls were very pleased.

The big excitement this week is our Annual Carnival which starts Wednesday evening, July 21 at 6 p.m.

This is a carnival for all ages, with bingo at the Legion Hall (pay-as-you-play), dancing and a hospitality centre for the adults. If possible, take your friends and support your branch.

The branch building is being re-decorated this summer and should be completed by September.

The downstairs club room is being re-decorated to allow it to serve as a games room and social room for dancing on Friday and Saturday evenings.

This summer we have music for dancing on Friday and Saturday. This is being provided by our guest pianists. In July the music is by Bob Mason and Bob Pichochi.

Sports at the Branch are in need of an uplift. We have

darts, pool and shuffleboard games, all available in the club room. We would like to have some teams for inter-club sports in the fall and we need some members.

Hopefully we will even have a ladies pool team with lessons for new players.

Anyone who is interested please contact Reg Crockett through the branch.

We hope to have an international dart tournament this fall. This will be most

exciting with food and refreshments and play-by-telephone. We hope to play a team from England or Wales.

The Legion Pipe Band is doing well and have many engagements for the summer season.

There will be a very special drum head service in September. More information will be forthcoming in later columns.

Senior League

from page 12

ternoon. We thanked them for coming and we played some merry tunes.

Bingo is put on here each Thursday night by members of the Kinsman Club, who do the job just right.

We thought "It is sing song time again, but it's so blooming hot, maybe they'll come to sing and play, and maybe they will not".

But Grace and Norma came to play and sing for us. They just seem to do it

without a bit of fuss. Grace read two humorous poems and sang three numbers from "Sound of Music", which was simply grand. We thanked them for coming by giving them a good hand.

Where Beauty Dwells

Farm News

from page 16

Agriculture in Victoria County is big business as well. In fact, \$60 million worth of food products were sold by Victoria County farmers in the 12 months prior to the Census Day a year ago.

The number of census farms in Victoria County is 1848. Of these, 1485 sold over \$2500 worth of food products. 450 farms had sales of over \$25,000.

1560 farms were over 70 acres in size. The area of improved farm land in Victoria County is about 225,000 acres, with 150,000 acres in crops, and the other 75,000 acres being mainly improved pasture.

Beef cattle continue to be the most popular major enterprise, with 850 farmers raising beef in Victoria County.

In second place we find

dairy cattle, with 193 farms classed as dairy producers. Cash crops continue to increase in popularity with 187 farms now listing cash grain crops as their main enterprise.

84 farms have pork production as their major enterprise, 15 county farms

have poultry and 13 are classed as fruit and vegetable producers.

The other 143 farms are classed as miscellaneous speciality or as mixed farms. Included in this group would be sheep, goat and horse farms, and those farms which are well diversified

and have several major enterprises.

Of the 51 counties in Ontario in number of farms Victoria stands seventeenth.

So the 1981 census confirms that agriculture is big business in Victoria County, once again.

Questions can be answered

Information centre helps tourists and residents

Question: "Haliburton County was once the home of giant white pines. Are there any left in the area and if so, can we go and see them?"

Answer: There are two stands of virgin pine in Algonquin Park. Unfortunately they can only be approached by water or seen from the air. The first one is at Dickson

Lake. It contains the oldest trees in the Park, over 340 years of age.

The second stand can be seen a mile up the trail from the dam on the Crow River. Giant pines, over 35 metres high, tower through mature hardwoods in this location.

If you plan to tour the interior of Algonquin Park in

a canoe, you can reach both sites easily. A Ministry of Natural Resources publication, Algonquin Provincial Park Canoe Routes, shows the exact location of the virgin forests.

For additional information call the Haliburton County Information and Referral Centre, 457-2733.

statement of the total school requisition in the amount of \$86,906.50.

General accounts which were paid in the amount of \$703.38 on June 15 were amended to read \$686.02. An

invoice from Earl Fabricating and Steel should have been \$122.46, not \$139.82.

An invoice from Tobias and Bagshaw was approved for payment for professional services rendered with respect to advising and acting

on behalf of the municipality relative to KBL Bridge Association proposal to construct a Bailey bridge across Bear Lake Narrows and an application for judicial review in the Supreme Court of Ontario. The total account

was \$2,716.19 less retainer of \$1,399.95 left a balance to pay of \$1,316.24.

An account for planning consultant services rendered by the firm of Totten Sims Hubicki Associates Ltd. was \$729.12 relevant to restricted

area by-law 839.

Council approved the purchase of 1 - 1973 Champion D600 Motor Grader, with attachment of A-Frame, Scarifier, rear mounted snow wing, one-way plow and new 8' bulldozer blade. Total purchase price \$44,818.00 subject to the approval of the Ministry of Transportation and Communications.

Letters of response were received from both the Provisional County of Haliburton and the Minister of Ministry of Natural Resources in respect to organized clubs for the purpose of bear hunting using dogs.

County council members underwent consideration discussion on this subject and although there was some members of council in opposition, a resolution was passed supporting the motion of Sherborne, McClintock and Livingstone council.

The Honourable Alan W. Pope, Minister of Natural Resources indicated in his letter to MPP Mr. John Eakins for Victoria - Haliburton - that the whole bear program is currently under review. In this process the Ministry is taking note of the opposition to the use of dogs voiced by some people.

At the same time the Ministry does heed also the economic and recreational value of the spring bear hunt and the fact that land owners in some parts of the province have come to view bear hunts with bounds as an effective control over bear damage to apiaries and other crops and livestock.

The weather has been perfect this past week for windsurfing, sailing or any other cool refreshing water sport. This windsurfer took to the waters of Head Lake in Haliburton Village, Friday afternoon.

Lutterworth holds council

from page 2

interfere with or alter a 'natural' water course.

The road culvert has been in place for many years and has only been 'reset' as required from time to time.

Council noted that Councilor Prentice has advised concerned citizens that the township cannot alter the

natural water course.

Concerning the Hunter Creek 'Private Road' Association's request for extension of Public Road services beyond the present limit of Hunter Creek Road on the basis that the township roadway originally extended further along the concession, the road superintendent noted that work had been completed to extend the

public roadway to the original point of termination.

Regarding the Murdoch Road, council noted its approval of the preliminary survey of the road right-of-way, and instructed the Clerk to forward a copy of the survey to the municipal solicitor in order that he may proceed to close the land purchase transaction between the Corporation and Arnold Richardson.

Road accounts for May in the total amount of \$15,761.89, were approved.

Council granted its permission for Evelyn Wood to install a water line under the township road right-of-way between her property in Part of Lot 16, in Concession 7, and Gull Lake subject to restoration of the township roadway to the original condition.

The following accounts were paid: General, \$8,267.38; Library, \$10; Protective Inspections, \$118.12; Planning and Zoning, \$832.18; Parks and Recreation, \$189.41; Dumps, \$2,499; Welfare, \$1,288.87; Roads, \$15,761.89; and others to total \$29,436.48.

A by-law to license and regulate lotteries conducted in the Municipality of Lutterworth was passed pursuant to Ontario Order-in-Council 274/70.

The amount of \$150,817.71 was adopted as the final budget figure for general municipal purposes for the year.

By-laws to authorize the levying and collecting of taxes for Educational, County and general municipal purposes, for the year were passed.

25. NOTICES

COTTAGERS - SEASONAL RESIDENTS - I'd like to hear from you with your ideas in advance of an informal get-together the latter part of August to prepare a brief to present to council for Dysart et al. With your artistic enthusiasm, council's cooperation and the village of Haliburton's participation, I think a fitting extravaganza can be planned for Canada's next birthday! Don Hilliard, 76 Applefield Drive, Scarborough, M1P 3Y2, (416) 755-7203. 25-P-21

27. THANK YOU

George and Elaine Schmid thank everyone for their kind regards and best wishes on the opening of the Harvest Dining Lounge. We look forward to serving you in the future. 27-B-21

Once again Mark and I would like to express our deep gratitude to all our friends for their prayers, cards, flowers, plants, fruit-baskets, and many other gifts and acts of kindness shown to us while Mark was a patient at St. Joseph's Hospital, Peterborough and Minden Red Cross Hospital and during his convalescing at home.

A very special thank you to Rev. Miller for his many visits and prayers and also a special thanks to our families for their loving caring concern. Our hearts have been deeply warmed.
Sincerely,
Mark and Carrie Vasey.
27-B-21

On behalf of Audrey and myself I would like to extend our sincere thanks for a most memorable and enjoyable evening.
To the staff, parents and students of Cobocok Public School and the Royal Canadian Legion and friends. Thank you for the many lovely gifts.
Jim Hopkins
27-P-21

The Milne Family send thanks to the man who pulled Sarah Milne out of the river on the third of July.

We all extend our heartfelt thanks to you for your quick action.

Margaret and Jim Milne and family of Haliburton
David and Mary Milne and family of Belleville
27-P-21

The Henderson family of Hall's Lake wish to extend their thanks to Stanhope Township Fire Department, Minden OPP, Ontario Hydro and all persons who offered their kind assistance on July 10 when fire demolished our summer cottage. 27-B-21

30. WEDDINGS

Mr. and Mrs. Harold Harding of Minden are pleased to announce the forthcoming marriage of their daughter, **DEBRA LEE to EDWARD**, son of Mr. and Mrs. Albert Cox of Minden. The wedding will take place Saturday, July 31, 1982 at 7 p.m. at Minden Gospel Church. Wedding Dance to follow, 9 p.m. Stanhope Hall. Friends and relatives welcome. 30-B-28

32. IN MEMORIAM

WELLS, In loving memory of a dear husband, Ted, who passed away July 25, 1981.

Surrounded by friends I am lonesome,
In the midst of my joys I am blue;
With a smile on my face I've a heartache,
Longing, dear husband, for you.

Sadly missed by wife Barb. 32-P-21

WELLS, In loving memory of a dear son and brother, Ted, who passed away July 25, 1981.

We little knew when we woke that morn
The sorrow the day would bring;
For the call was sudden,
The shock severe,
To part with one we loved so dear.

Sadly missed by Mom, Bob, Stephanie and John, Wayne and Sharon, and Wendy. 32-P-21

BURK - In loving memory of my dear grandmother, Lizzie, who passed away July 24, 1979.

As long as we live we will cherish your name
In memory we see you ever the same
Still in our hearts you're living yet,
For we loved you too dearly to ever forget.
A beautiful memory, dearer than gold,
Of our grandmother whose worth can never be told.
Alive and unseen you stand by our side,
And whisper, "don't grieve, death cannot divide".

Always remembered by all your grandchildren. 32-P-21

32. IN MEMORIAM

BURK, In loving memory of a dear wife and mother, Lizzie, who passed away July 24, 1979.

Though her smile is gone forever,
And her hand we cannot touch,
Still we have so many memories
Of the one we loved so much.
Her memory is our keepsake,
With which we'll never part;
God has her in His keeping,
We have her in our heart.

Lovingly remembered by Cecil, Jack, Jean, Barbara, Doug and Helen. 32-P-21

KENT, JEAN YVONNE. In loving memory of my dear sister, Jean, who passed away July 25, 1981.

I think of you in silence,
I often speak your name,
All I have are memories,
And your picture in a frame;
My heart still aches in sadness,
My silent tears still flow,
For what it meant to lose you, Jean,
No one will ever know.

Forever loved and remembered by sister Mildred. 32-P-21

GARTSHORE - In loving memory of a dear uncle, Don, who passed away July 20, 1978.

Gone are the days we used to share
But in our hearts you are always there.
The gates of memory will never close,
We miss you more than anyone knows.
Behind our smiles there lies a tear,
Of the one we lost and loved so dear;
Our hearts still ache as we whisper low
God bless you Don, we miss you so.

Sadly and deeply missed by Jason, Chris, Gary Jr., and Sean. 32-P-21

GARTSHORE - In loving memory of a dear son and brother, Don, who passed away July 20, 1978.

God looked around his garden,
And found an empty place.
He then looked down upon his earth
And saw your tired face.
He put His arms around you,
And lifted you to rest,
God's garden must be beautiful,
He only takes the best.
Thinking of the thoughtful things
That you have said and done,
And loving you a little more
For each and every one.

Forever loved and sadly missed by Mom, Dad, Verne and Marlin, Craig and Margaret, Gary and Pat. 32-P-21
